PROFILE

I am an exceptionally motivated and enthusiastic individual with a deep passion for motorsport communications and journalism. Currently, I am a second-year university student studying English and communication studies, as well as advertising and public relations. With over 5 years of customer service experience and a strong sense of empathy, I have established outstanding communication skills that allow me to deeply connect with a diverse range of individuals. I'm also a passionate storyteller, and writing has been praised as thought provoking, emotional, and charismatic--all qualities that are intimately intertwined with motorsport.
